Re: Electronic Filing for C00586030

Dear Sir or Madam:

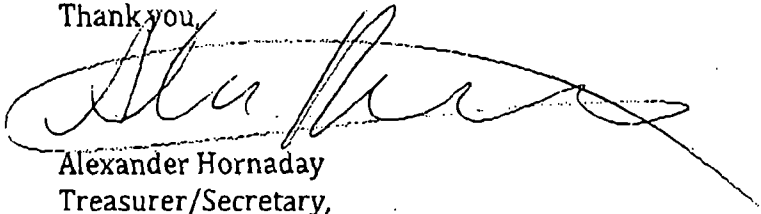

I am in receipt of your notice that this committee is required to file electronically. Please be advised that upon receipt I attempted to acquire an electronic filing password. However, I was informed that because the committee does not have an associated email, such electronic filing password could not be issued.

I have, therefore, amended the statement of organization to include an email address, so that I can eventually receive a password and file electronically. In the meantime it is possible that the committee will have other filing obligations. It is my intention to file such disclosures by paper, so that at least the public will be notified of the appropriate information.

Once I receive the notice that my amendment had been accepted, and that the committee has an associated email, I will acquire a password, and amend the paper filings to the extent possible to bring such items into full compliance.

I appreciate your patience and understanding.

Thank you

Alexander Hornaday
Treasurer/Secretary,
